

Prophetic Word June 15 2020

 **Gloom**

 **The Word that I hear the Lord speaking is**
Gloom

☞ Within 90 days a Gloom will settle over this Nation.

☞ It will be a despairing gloom of a spiritual darkness covering the land

**Mark your calendar. The Lord has spoken and
He is not a man that he should lie.**

Will the Lord relent from this calamity which is determined?

- **God's people should repent with prepared obedience**
- **God's people should fast and pray for the welfare of their Nation**

**Who knows if the Lord will turn and leave a
blessing behind?**
