A Nation broken that cannot be made whole

When the Lord told Jeremiah to go and get a potter's vessel he said to break it in the presence of those with him and say these words: Thus saith the LORD of Hosts even so will I break this people and this city as one breaks a potter's vessel that cannot be made whole again. And the LORD says take note of these words O Nation and People.

Moreover, Behold I will bring upon this Nation and upon her cities all the evil I have pronounced against it because they have hardened their hearts that they might not hear My Words.

Who can fathom the Father's Love; yet His justice shall prevail; My father smites on the left and slays on the right August; September and beyond put your house in order says the LORD

Who can say to Him what are you doing for in perfect justice does He judge. Behold these Three

The one who doubts

The one who sins

Those who resist

Listen to this vision

I am somewhere where it's very dark. I don't know where it is. Suddenly a search light appears panning around and I can see where I am; it's a mouth. This place is a mouth a giant mouth. I am seeing the throat area; its a mouth

- Their throat is an open sepulchre;
- The LORD says put a guard over your mouth
- Behold He is coming with ten thousands of His Holy Ones

Words of Wisdom

The tongue is a fire a world of iniquity full of deadly poison it defiles the whole body; with it we bless God and therewith curse men made in the image of God. Out of the same mouth proceeds both blessing and curses. These things ought not be so says the LORD. Begin to monitor your utterances so that you do not disqualify yourself on that day.
