

The Signature of God

Inscription Prophecies

Pattern and fulfillment

An inscription Prophecy as I understand it is where there is dual meaning with words used in Scripture.

- ☐ There is a plain meaning of the surface text
- ☐ There is another meaning hidden beneath the text

To the **Greek** thinking mind, prophecy is
prediction and fulfillment

But to the Hebrew thinking mind prophecy is
pattern and fulfillment.

Prediction

Pattern

Fulfilment

Allows for Prophecy to unfold in proper context
of the Scriptures

The summing up
of the ages

👉 then the **end** comes **uttermost**

- Is this the end of time meaning the end of Grace?
- Is this the end time as we know it to usher in the Millennial Reign of Christ?
- Is this the beginning of Judgments of God's wrath?
- How should we understand this term?
