Warn my People

Warn my People says the Lord

☞ God's people should not focus on Long-term  
planning

☞ Long-term as defined in the FASB means greater than six months.

☞ That means don't plan for long-term things pertaining to this life

God's people (in the short-term) should focus on their spiritual walk with the Lord through

- Fasting
- Prepared obedience
- Humble prayer before the Lord

Take heed to yourself and be on your guard so that you are not weighed down with the cares pertaining to the business of this life

Look at the Fig Tree and all the Trees; when they put forth their buds and come out in leaf you will see it and know that summer is near
