

**Platformed**

I asked the Lord about this thing everybody is talking about that is taking place around the world.

👉 I heard the word “Platformed”

👉 The Word from the Lord is “Platformed”

What is taking place right now around the world  
in and among Nations?

👉 Confusion

👉 Face coverings represent Confusion

A world stage is being set.

Someone is soon to be “Elevated”

*There is a staging taking place world-wide to set up a platform from which the antichrist will arise out of.*

- *It is time for repentance with prepared obedience.*
- *It is time for self denial and prayer*

That means those who call themselves by the  
Name of Christ should

1. Repent
2. Fast and Pray
3. Earnestly seek the welfare of your Nation

The Time is short.

Things are soon to be wrapped up.

The doors of Grace are soon to close.

Shout from the rooftop!

Sound the Alarm on my Holy Mountain!

**Closing**
