

**Prophetic Word - the mark, his name or his  
number**

**January 31 2021**

And the LORD said to the man clothed with linen, who *had* the writer's inkhorn at his side "Go through the midst of the city, through the midst of Jerusalem, and put a mark on the foreheads of the men who sigh and cry over all the abominations that are done within it." And so the man clothed with linen, who *had* the inkhorn at his side, reported back saying, "I have done as You commanded me.

We are meant to understand the man with the inkhorn marked those men with a mark only discernable in the spiritual realm. It may have been something simple such as “Belonging to Ya”  
The point is it was a Spiritual mark. A mark known only to the spirit realm.

Satan also has a mark in the spirit realm which is the counterfeit mark to God's mark. That mark is his name or a number that corresponds to his name which is the number of a man. Either way, it cannot be seen in the physical but only in the Spirit realm.

Since it is of a spiritual nature the Scriptures give physical markers to notify the believer to beware Let me repeat. Because the mark is spiritual in nature physical characteristics are given to warn.

*Here are those characteristics: No one may buy or sell unless you have the spiritual mark or the name or the number of his name which is the number of a man. These are spiritual characters.*

Now in context lets look at the physical characteristics again. He causes all small and great, rich and poor free and slave to have this mark in order to buy and sell.

Look around you and then ask yourself what is now available world-wide for everyone both small and great rich and poor free and slave.

Then consider the consequences if you reject that thing which is available.
