

Prophetic Word - prepare

September 5 2020

My son I want to talk with you about preparation.
My people think that preparing is gathering,
food, water, clothing or essentials. Those are
the things the people of the world gather.

My People prepare by bending the knee in humble prayer by crying out, wailing, lamenting and mourning against sin. For this is the way My People prepare. Do you know why My people are not mourning, crying or lamenting?

*Here is what I will do. I will awake My people.
Then shall their cries arise to be heard.*
