

**Prophetic Word August 27 2022**

My Father changes the Calendar in September.  
It will be a Calendar of Hardship and difficulty.

The September you will see in one week will  
mark a new beginning in time

- A time of the end says the LORD
- Hardships foretold now unfold.

**My father has appointed trial. Be patient in affliction, persistent in prayer and steadfast in the work of the LORD.**

*There will be a change of tone with the Believers; not all believers but just the anointed ones; the ones called from the womb says the LORD. Here comes the Trial of the ages*

Every man will have to stand on the merits of his own Faith. If his faith is strong he will stand; if his faith is weak he will surely stumble.
