Trail of tears

April 1 2023

Trail of Tears

Trailing in tears, Sorrows abound, a Lamentation I sing for
Grace to abound. My Father warned My Father pleaded; Oh if I
only heeded. The season has changed the Earth cannot
endure, now here's my Father at the door. Oh if only I had
been ready to night to open the door.

April a month of sorrow Video A

**April is the time for mother nature to display her hand;
now you will see who can stand. Who can say I shall
live in grand. For its My Father's time to smite the
land. Now take a look at the land. Video C**

- Crops ruined Video B
- What happened to the saying April shows bring May flowers? Not during a time of sorrow says the LORD Video D3
- Change the landscape says the LORD Video E
