What is hindering YOUR Faith walk

Today, the LORD would speak to the men. Listen closely. Give me your good ear.

A journey with the LORD begins with a commitment in your heart.

Above all else, the Scriptures plainly say you will seek Me and find Me, when you search for Me with all your heart and I will be found by you.

You will call upon Me and go and pray to Me, and I will listen to you says the LORD

If a man cannot deny himself in this life, then he has denied Christ. For He Himself said; if a man desires to come after Me let him deny himself, take up his cross and follow Me.

A man must develop endurance to live by Faith. He must of necessity run with endurance and contend for the Faith that belongs to the Saints

He must lay aside every encumbrance that would hinder his development of faith

What is hindering your Faith walk?

Is it that job you are working? It would be more profitable to you that you enter into life unemployed than to bound into God's eternal judgment.

Is it that mortgage you are serving that's hindering you? It would be better that you enter into Heaven's Gates with a marred credit report than to be bound in hell fire for eternity.

Godliness with contentment is great gain for you. For you brought nothing into this world and it is certain you can carry nothing out.

What's hindering your Faith walk? What has you bound right now? Is it pride?

Be loosed from that in the name of Jesus and be man of God.

Pride, that's a heavy burden to carry. How much strength do you have O man? You will stumble under the weight of this thing. God has not intended for man to carry that load.

Are people hindering your Faith walk? Come away from those people and let the LORD bring you into the family of God. He will give you a new mother a new father a new brother a new sister.

Who is my mother, my brother and my sister but those who do the will of My Father.

You must enter the race of life with the resolve to win the prize; the Crown of Life.

A man without discipline cannot enter the race. Though many enter the race only one receives the Victors Crown.

A man must strive for mastery over his body and bring it into subjection to the Lordship of Jesus Christ.

It is required that a man have self-control, perseverance and godliness. Only then can he add to those things brotherly kindness and love.

Ask the LORD for legs. Say give me my legs LORD. Give me my legs that I may walk with you.

After you have walked with the LORD a while then ask him to allow you into His Vineyard to work. And then, get your wages for eternal life.

The path of the just man is like the like the light of the dawn, shining brighter and brighter until it reaches its full strength and glory as the noon day sun.

Let that man be you! Hallelujah to the Lamb for your Faith that's rising right now listening to the Words of Wisdom.

Who is that man who desires life, and to see good days?

Let him keep his tongue from evil, and lips from speaking deceit.

Depart from evil and do good; Seek peace and pursue it;

For the eyes of the LORD are upon the Righteous, and His ears are open to their cry.
