

Prophetic Word April 22 2023

Travail - bring forth !

The LORD says tell me what these three words mean.

Travail

Birth pangs

Delivery

And, the answer is: these people are about to give birth to their Redemption, says the LORD. Redemption appears, then these prophecies shall come to pass that my servant Micah speaks.

Here is that prophecy; all people will walk every one of them in the name of their god. But we will walk in the name of the LORD our God forever and ever.

Be sure to change your calendar to the calendar
of the LORD, it has begun says the LORD.

Travail and bring forth O My People.

The calendar of the LORD represents the times of the LORD O People and Nations, WAR, WAR, WAR.

The LORD has another question. Here it is:
Which Jesus do you believe? What Jesus do you
serve; the Jesus of Babylon? O have My people
been deceived says the Jesus from the Virgin.

My Father has displayed his hand openly for all to see. He has not spoken in secret lest someone should say

I did not know.

Which of My Judgments can you not see?

Are they not plain to the eye of the beholder, yet these people mock their God.

- Here it comes says the LORD
- Hidden Treasures of darkness
- These you shall not mock says the LORD

I have a rhyme, its simple only three lines.

Over the clock, time is gone

Over the horizon a chariot on high

Behold I am nigh for all that sigh

The word of knowledge accompanying that is

Ezekiel 9.4

Another realignment has occurred

Justice serves dinner the servants prepared;
justice tastes good to those that prepare.
Justice has served to all that come here.

Midwest

The LORD says teach this people this phrase
2 fold 3 fold and 9. I will serve at 9. Come to
the table sit and dine. Here it is, it costs a dime.
Do you know the time?

Mourn and lament says the LORD the plate is
served empty

Here is wisdom, change the clock, change the calendar, change the weather from Summer to Winter; send the snow, the ice, the cold, Remove the harvest, the labor of old. Change the season to the time foretold. Seedtime and harvest, summer and winter cannot unfold.

Confound the seasons

Open the Ozone

Take away the splendor of the earth; let it bring forth briars and chaff; thorns and thistles that last.

A badge a token in the hand; show and display
the mark in the hand; Grin and smile say and
demand; this you will need to show the
Command

The word of knowledge to search out with is

☐ I comply to buy

Here is a riddle, a chime; a rhyme spoken in time

The Bible is written for all to read; the Words they see
are there to feed those who eat and have a need. The
Prophets foretold the things they need to buy and sell and
bend the knee.

Here is your god

Fire from heaven

Let the god who answers by fire be your god says the
LORD

My Grace adorned, the world of old
The serpent came, sat and foretold
I am god your time foretold

My time has come for me to hold
The scepter placed in time foretold

- Rises to power
- Brings hope of peace
- Changes Truth in the street
- The writing and the decree have come

Sing and dance pray and chant; is this where
Mary's at? I serve the bread from the dead. Eat
and dine with the dead.

Word of knowledge to search out with that is

☐ Speaks from the grave says the LORD
