Listen to this Parable

Evil is punished, there is gnashing of teeth. What shall be seen in the streets? My servant foretold my time is at hand to strike with a vengeance my enemies at hand.

The LORD also says July is a month of significant change for this Nation. Moreover, many of those who doubt will begin to reconsider the things going on in the world right now.

Wisdom speaks in this manner. Listen closely

Adam was adorned with many Graces. Wisdom was his portion to understand my Creation. And thus, he could name every animal that was brought before him. The one beast that could not be named or tamed was the serpent from of old. Surely he was told hold your peace, resist with a vengeance and he will flee.

Now the LORD presents a saying from of Old

I spoke with Adam day by day; encouraged him along the way; I spoke of Wisdom to behold and sorrows that would take hold. The Tree of life it stood alone. It was placed beside the way. It could be seen in the way. The Wisdom of Life, Everlasting life it held the way. Oh if only Adam would have walked that way. The woman saw, she beheld. Oh if only she would have walked by the way.

*I spoke of the Wisdom of Knowledge to behold
that My Father sent for all to hold. Oh if they
had only done as told.*

The Other Tree was placed out of the way. Adam had to walk beside the way to take hold and speak to the Serpent of Old. My Father warned this is not the way. Yet Adam walked in the way. Oh if only he had taken heed to his way and withheld the broadsword from the way.

The Lord provides a riddle

Great men, common men, rich and poor, I the
Lord maker of all, I give to one and not the
other yet place my Grace for all to partake. The
cup is full, the stomach empty who can know but
a fool. The cup is empty, stomach full now look
and see who was fooled.
