Wisdom Speaks Freely

- ❑ *Touching sin, weakens you in the way,
causes defeat*
- ❑ *Touching Grace strengthens your soul, gives
you the Victory*
- ❑ *Acting independent of God, that's pride.*

Days of toil expire soon. Most are not ready, not even me says the LORD. The Lord says Redemption is close at hand. Most will not make it. See how they did not put any oil in their lamps.

As the days of toil begin to expire off you will see a change in the lights. They begin to dim. The lights in the eyes of people become no more. Once great lights begin to shutter and blink at the True Light. That's the darkness that reigns.

Fasting and self-denial; quiet humble prayer will shield you; I mean shield your spirit by hiding you in the Holy Spirit. Again fasting, humble prayer and self-denial is how you access the Holy Spirit.

The Lord says the things done on Social Media platforms wake up some, but most of His people are not on social media they are before him; in His presence repenting, getting instructions quietly from the time alone with the Father.

When God uses a voice for example those words spoken by me they are only guide posts through biblical history. They allow for navigation through perilous times. These sign posts are often difficult to see in the fog and despair of the times.

Bitterness blinds a man's spiritual perception in proportion to its growth in the soul.

Repentance is measured by souls that are changed. Though I may speak of repentance; each person must assess the value of his own soul. Do you value your soul more than others? If you do not then you have not truly surrendered your will into the Father's hands. This is why the LORD must take down his creation that he made. Truly it has become the home of Satan that serpent from of old.

I may speak of God's judgments but do you know how Moses and the Prophets changed lives? It was by demonstrating the Father's will in the earth. That changed lives. That's what Jesus did and that's what his disciples did. They demonstrated the Kingdom of God by example.

Did Jesus not select the twelve to demonstrate the Kingdom of God saying to them, freely you have received, freely give and say to them the Kingdom of God has come near to you. And again He selected 70 to go out to prepare the way.

So my Father asks this question. How will you finish these days. I say Lord may I finish these days by spending time in your presence; praying, humbling and fasting.

Many people think I am Holy because I speak the things of God. That's not Holiness. Holiness is demonstrating My Father's purposes in this world just like the prophets of old.

Holiness spends time before the Throne of Grace with the Father. That's called turning again. Once a man turns he must strengthen the Brethren. How good and how pleasant for Brethren to dwell in unity. Therefore in all things display before thyself a pattern of good works. In doctrine display uncorruptness with all gravity and sincerity

- ❑ Lymphoma is being healed - Jack
- ❑ Heart palpitations are being healed. Normal rhythm is returning now says the LORD.
- ❑ Hatred is going out from someone's relationship today. No more hatred says the LORD

Unclean spirits are arrayed against the pure in heart. There is but one solution for demonic attacks. Spend time in the presence of the Father. Allow the LORD, that Great Shepherd of the Sheep, through the blood of the Everlasting Covenant to lead you beside the quiet waters and restore your soul.

Among believers there is no model of humility to follow. There is no pattern readily available. That's why believer's lord over their sheep. They themselves have not been mentored by Grace from the Father. Thus, they know not the Mercy of God. So instead of coming to the Father, they go to man. Man glorifying man.

The seasons My Father has spoken about are now manifesting. See how difficult it is to connect this to My Father? The enemy sends confusion, and disarray. He sows discord so that most cannot see the hand of God in judgment. Yes even God's judgments are difficult to perceive because the natural man understands not the things of the Spirit for they are spiritually discerned. How much more the day of visitation from on high when the veil is rolled back?

So this year ends with a bang. Take note of it a literal bang, very loud for all to hear; the fall of the market followed by panic pandemonium and chaos. Civil war begins. That ushers in a different timeline on January 2 2024. By March 15 the ides of March begin a time of terror. When November 12 arrives you will see the Angel of death. No more December 25 celebration says My Father. He removes this day from History.

The alignment has begun. The seats of power

Words of Wisdom

Prepare ye the way of the LORD. Make straight your paths, make ready your house. Remember, Touching sin, weakens you in the way, causes defeat. Touching Grace strengthens your soul, gives you the Victory
