

Prophetic Word to a Nation

August 21 2020

My son hear this parable.

There was man who prepared his house. He put everything in order. He swept clean every corner in the house.

But as he was standing looking intently for the hastening of his masters inspection, the enemy came and placed the forbidden thing among his household possessions.

Unaware the man exclaimed; My Masters eyes are seering; very intense and piercing. They reveal deep and hidden things. I did not know the forbidden thing was there.

He then thought I will bid my Master for more time to prepare but the LORD says no more time shall be allotted.

For today is My scheduled visit and I shall not delay any longer says the LORD.

- Now O Nation I visit My People
- Now O Nation I require an accounting
- Now O Nation I look for the fruit from My Vineyard
- Now O Nation Yield to Me what I require but they would not.

Hear the Word of the LORD O Nation: Do My eyes not see and My ears not hear.

- I WILL REQUIRE that which is Mine to be yielded over to My Father says the LORD
