

Prophetic Word to a Nation

August 21 2020

My son, your Government will soon restrict the liberties of My people.

- They will seek to quench the voice of My Holy Ones.
- They will seek to change what has been written by My own finger says the LORD.

But I say My People shall be bold in this hour.
Their voice shall not be quenched or silenced for
I Myself; I AM girded for war and I accompany
My Holy Ones.

Hear Me Now O Nation and People!

- There shall be change in an instant.
- Behold I come Quickly says the LORD and My Reward is with Me says your God
