

Prophetic Word August 12 2022

Changes in Time now unfolds

This speaks of two people here

There are people near nearer than you think; I send them now to hear My Words; teach them a riddle a rhyme, a chime. Here comes the rain to drive them away. As they depart with My hand of Grace; tell them this way will be safe. Wash them clean; speak My Words, they listen, they hear the time is near. Call their names write them here; Jesus, Michelle are two right here.

Here's a warning from the LORD

Stretching your faith, cleansing the soul, abide at the throne and strengthen the soul, trust not in things as I remove everything. Changes to time now unfolds: The witness foretold now behold. I pleaded I chided I sent and guided; those who hear shall now be told; this is the year that shall unfold; a time of hardship my servants told. Chase not the wind, comfort and things for now I remove from thee

☐ ill-gotten gain.

The Lord provides a riddle to solve

Ten-fold, two-fold and nine: Look at the clock and tell me the time. For I call, I cried, I shout from the roof and yet you stand aloof. Purging has begun there's no more delay. I seek repentance to save this place. A riddle a rhyme has its place in time; will you mock this time

☐ I place the writing on the wall says the LORD

The Lord speaks a Psalm of the walk of Faith

To the Throne I must come, bending in humility all must approach. Purging starts with those who bend to clean the soul of sins regrets. If I am Lord you must know My Father purges all He sends.

Rejoice be glad; My son He sent; provides atonement upon all who repent. Preserve not self nor lift your head; stiffen not your neck. Walk in love walk in light the comforter sent; will lead the way.

My own I know; they call; they fall; they rise; they
run; they walk and take the path all must walk.

Teach me to know the Father's voice; all who know;
shall now rejoice in the walk of faith all must take.

Words of wisdom

Think not My father delays on His Words but
know for sure His Mercy and His Grace is
displayed.
