

Prophetic Word to My People

August 22 2020

My son write these Words: Compel My People to
come into My House where there is refuge.

Compel My People to sit and dine at My Table
where there is meat.

Compel My People to Jump and Shout and
Rejoice for My Grace and Protection covers
them.

Hear Now O Nation and People. I Now make a distinction between those that follow after Me and those of the World.

Shout O My People and Proclaim My God is with Me and will not fail me in any word He has spoken. Says the LORD
