

Prophetic Word to a Once Mighty Nation

August 26 2020

Hear Ye, Hear Ye, Hear ye O once mighty
Babylon.

The Lord has spoken three “I wills” against you.

- *I will fill your land with drunkenness and despair*
- *I will destroy families both Father, son and brother alike*
- *I will not pity, nor spare nor have mercy says the LORD.*

*Hear these Words and humble yourself O once
Mighty Nation. Be not boastful and arrogant.*

Say to the King and the Queen mother humble
yourselves and take a lowly seat for down from
your head has come your beautiful crown says
the LORD
