

Prophetic Word to a Nation of People

August 24 2020

My son today is the day I begin to speak with clarity.

Today I begin to speak with specificity.

Today is the day I begin to shake My People as they hear My voice.

Hear Me Now O Nations and People.

I AM about to shake your Nation.

I AM about to move the land.

I AM about to cleanse My House.

I AM the Holy One.

I AM going to have my Honor.

I AM going to have My day of Vengeance.

I AM going to Redeem My Elect.

I AM coming quickly says the LORD
