

Prophetic Word the Second Signal Hoisted

August 29 2020

**My son the second signal to be hoisted on the
battle field is the fall of the stock market
followed by panic, pandemonium and madness.**

See How I shake and I shake and shake the Nations says the LORD. I strike at the heart. For this is the shaking I spoke about for there you have written: expect these things.

- **Uncertainty among governments and leaders**
- **Chaos as to handle crisis**
- **Peace will be removed from leaders and given to my destroyer**
- **Economic uncertainty will pervade every economy**
- **Famine and pestilence will be a natural occurrence and the predominate topic among leaders.**

Behold I have warned, I have warned, I have warned says the LORD. See now my son My people are awake. Will they look now at what is in their hand and still hold on to it.

I say they will throw it out into the streets to the dogs for their wealth will be loot to the wicked of the earth.

I will now put an end to the pride of the
Mighty says the LORD.
