

**Prophetic Word December 2 2021**

**Prophetic Cycles in December**

## A Word about December from 2019

The month of December 2019 is a month of positioning: the realignment of demonic forces: pray, fast earnestly seek the welfare of your Nation.

Again a year later from September 2020 about December

My son hear the Word of the LORD. December is the month I change the Land. December is the month I move this land. December is the time I visit calamity. Say it again my son December, December, December says the LORD.

Again another year later 2021 a prophetic Word about December

December the Month of Turning - events that My Father has appointed will not be delayed; vengeance, retribution and calamities foretold here and now will unfold; these come at night they have no light.

☐ See how I open my hand of judgement says the LORD

I am seeing there are three prophetic cycles occurring that will culminate in the month December.

# Words of Knowledge

Take note of disaster from the West,  
Northwest

That Word came up again earlier this year as  
follows:

Here comes disaster from the west,  
northwest

The Lord says: Teach these people this saying:

I called to my own, my Grace was shown; from the throne my Father's Love was sown; Now I turn and come to my own. The Angels sound; they mark those found, faithful in love serving above. Here is my Reward, it's in my hand; My father's house is now at hand

Take note of December 2021

## Words of Knowledge

- Changes begin to become more pronounced
- The LORD says the time is nearer than we first believed
- Changes in government will begin soon

## Words of Wisdom

There is a time and judgement for the wickedness of man that begins in the house of God; yet the time for judgment is a great uncertainty for man and he is ignorant of what is to come; for who will make known to him how the matter will manifest.

Therefore cast your bread upon the waters; give a portion to seven and also to eight; in the morning sow thy seed and in the evening withdraw not thy hand for you know not which sowing shall prosper; whether the morning or evening or both alike.
