

**Prophetic Words - A Shaking, A Rumbling
and a Thunder**

December 8 2020

Get ready for a massive shaking. After the shaking a rumbling and after the rumbling a thunder: Foundations crack, water and sewer lines no more. Headlines read: Complete Devastation.

Warn My People, Warn My People says the LORD.

Devastation this month:

Warn My People, Warn My People says the
LORD.

Is this in the Midwest?

Listen to this lamentation:

There is a snow comes down on the earth to water it so shall My calamities be upon the people. None shall escape the watering.

Confusion, panic and pandemonium will be their portion. As Job said the thing I greatly feared has come upon me so shall this people say.

**Churches Synagogues and Mosques beware of
Censoring.**

All Clergy leaders be prepared for questioning.

**As Janis and Jambres opposed Moses so will
these people oppose My People.**

I urge every man to bend the knee and humble himself before the LORD like the prodigal son; The Father is Merciful, Gracious and Forgiving

The LORD is coming quickly and suddenly.

When the Son of Man comes will He find faith on earth?

Let your waist be girded and your lamps burning and be like men who wait for their master when he will return.
