

**Prophetic Word - God Glorifies His Son  
through Healings**

**February 20 2021**

## The LORD says the following

*I called and let My Glory be seen.*

*I opened the gates of My Vineyard that all could see.*

*I place at My gates those that ate but feeding My  
Lambs could not to be seen.*

*Now I send and look for fruit from the tree  
but all who enter were robbed at My feet*

Look above and look and look beneath what do you see

on the street.

Now I remove the door of this tree  
and Smite with these three:

- Death,
- Famine and
- Pestilence.

*The LORD says I am healing these diseases.*

- *Cancers in the abdomen area*
- *Arthritis in the shoulder; I am hearing left shoulder - Jerry*
- *Hodgkin disease*

- I bind that spirit of sleep apnea in the Name of Jesus. Depart in the Name of Jesus
- No more oxygen; no more shortness of breath says the LORD
- Healing of bladder and kidneys
- Glaucoma be healed in the Name of Jesus. I rebuke that spirit of glaucoma in the name of Jesus

- I bind that spirit that causes cataracts in the eyes in the name of Jesus.
- The LORD says Alzheimer's being healed. That spirit of infirmity is coming out now. It has to leave In the Name of Jesus.
- I am hearing dental or periodontal or teeth and gums being restored

# Words of Wisdom

The LORD says

- Do not return evil for evil
- Let go of you past for I remember it no more;  
Repent and pray that you see it no more

# Words of Knowledge

- Behold the days of Moses - the plagues of Egypt says the LORD
- Raindrops no longer the same; tainted with sediments
- Marine life to decline exponentially

The LORD says as My Word releases POWER so I  
release My children;

I move them about I send them south.

My Word supplies it's out of their mouth

They see no evil but behold my mouth;

They dance and shout and praise My Name;

Look at the wonders they proclaim;

Teach me this riddle; teach me to say;

Jesus My Savior — that's his Name!
