

**Prophetic Word - hidden treasures of
darkness revealed**

February 24 2021

The last deception will be worse than the first. This man will speak things pleasing; he will uphold truths that the believer holds sacred. His mandates will require complete allegiance. Many will say he is our deliverer and thus the deception of the latter is worse than the first.

- When the allegiance shifts to a man the restrainer is removed.
- Blackness approaching
- Days of darkness

It's very dark, I am eating at a table then I hear I will be leaving in haste.

- Behold are these not three days of darkness says the LORD

I am seeing a huge pad lock. It's as tall as I am; very large. Then I see it has a key in the bottom. Suddenly it becomes unlocked.

- Storehouse opened
- Uncovered
- Before the world began
- Hidden treasures of darkness
- Astonishment to all says the LORD

There is wailing in the streets.

I have set my face to the east.

Sorrow and lamenting shall not cease.

Look to the street; describe the smell and
tell Me of hell.

I perform my Word it comes from the east.

Look no further than your feet.

Behold those who mock I trap them in their own mocking's. Look how I begin in my own house and sweep with the broom of destruction. I overturn tables while they continue to merchandise in my house.

As I rebuked Balaam so I rebuke them. Come out of there my people lest you bear their reproach. Am I not the one who justifies the righteous and condemns the wicked says the Lord. Am I not the judge of the whole earth?

I perform miracles, I do signs, I do wonders before you. I placed a coin in the mouth of a fish and caused the swine to run over the hill and meet their demise. Can you tell me who directs the south wind into its chamber? Can you describe how the east wind is stilled? If I be your LORD where is My Honor?

A vine was planted and it reached over the wall and spread with more branches. They descended downward over the ground and they were trampled underfoot. The LORD says my fruitful vines have been trampled upon. But now I shall raise them up for this is the hour they should bear fruit says the LORD
