

**Prophetic Word - a signal is being raised for  
all to see**

**February 3 2021**

***The following are Words of Knowledge***

- This man will gain momentum and turn around
- Now I turn and relent momentarily says the LORD.
- I am seeing a signal being raised for all to see; the fall of the stock market

- *Is this not a new kind of weather phenomenon says the LORD; High altitude*
- *Is it not a hand. Are these fingers of a hand pushing buttons of destruction?*
- *Is this not the year of destruction?*

See how I move across the globe with a famine  
says the LORD; I remove the supply of bread; I  
dry up the lakes. Is this not the season I have  
spoken about:

 Behold the days of sorrow

How shall I characterize a righteous man? His fruit is a tree of life — and he himself flourishes in knowledge and understanding of God's ways. Remember, Wisdom is very good but the advantage of the knowing God is that it preserves the life of its possessor.
