

Prophetic Word February 3 2023

My Prophets spoke My Glory departs

America's destiny, America's demise; a Nation of freedom;
a Nation of bondage, a Nation of Glory, a Nation of disgrace,
once a Light, now removed, once humble, now is fulfilled:

My beloved grew fat, kicked and forsook the God of her
youth

- Justice prevail
- The decree is settled
- Disgrace shall prevail
- Lights go dim soon
- Put the scarlet thread in the window says the Lord.

**America, America, land of bondage and despair;
gloom and darkness shall prevail; freedom no
longer; lights shall remove; Dance and rejoice
for I have given you the desires of your heart,
says the Lord**

☐ The Righteous shall mourn

My Prophets spoke; My Glory departs; the cesspool for death and a time for darkness to rein. Trust not a friend nor riches of gain for these two together shall reign

The Beast

The false prophet

*I speak to My People; gird up your loins; open
My Word, stay by My side. Walk in Love and in
My Light. Follow Truth and holiness alike. Here I
come to strike at pride*

Days of toil expire soon

closing
