A Parable for the unrepentant

Weakened in the way; confusion is sent your way.
Look for comfort; I chase it away. Seek for gain; I
move it from your way. You know of My Name; you
behold My fame; the Cross you were told; My
sacrifice from of old; yet bitterness pervades your
way. Will you now mock the Grace of My way? Sing
and dance, jump and shout; revel in sin for I bring
about

Judgment your way
