

**Prophetic Word - Wickedness in the house of
the King**

January 11 2021

Thus sayith the LORD, once, twice, third time.
See how I move the Nations. Now I move upon
your Nation America. You who dwell by many
waters and are rich in treasures, your end has
come and your ill-gotten gains are gone.

- The 8th says the LORD
- Down with the gavel
- March, March, March
- Times, times, 1/2 a time NOW
- Two-fold, three fold and 60
- Twice, twice, twice
- Deceived
- Seed time and harvest, summer and winter

- **First fruits gone**
- **Corona, add the numbers**
- **I will drive Tobia out of my house this year**
- **Banks**
- **Flood-plain**
- **War**
- **Double-mindedness**

Danger and calamity is next on all people. Yes, it shall be at an instant suddenly. Refining starts and there will be an onslaught of wickedness. It will be in the house of the King.

 I repeat wickedness in the House of the King.

Now here is the mind of Wisdom: The seven heads are seven hills on which the woman is seated. They are also seven kings; five have fallen and one is falling; the other is not quite seated, and when he is seated his stay must be brief.

Let every man examine his heart through repentance and prepared obedience.

➤ The LORD is soon to return.

Be like men who have the waist girded and Lamps burning waiting for their Master when He will return.
