

# Prophetic Word - Lightning Strikes !

January 24 2021

*The Following are either Words of Knowledge or  
Prophetic Revelation by the Spirit of God.*

- Delineation between those with the V and those without will become more acute
- Judgement on believers first
- Behold the hour of trial says the LORD
- February a month of change. Patterns begin to form and become apparent. Take note of it.

- **Streets empty**
- **Demonic timelines being exposed; no longer hidden**
- **Lightening Strikes; I repeat Lightening strikes and yet again Lightening strikes**
- **Food shortages**

I see fire balls falling. As I look higher and higher these things are coming from the sky; As I continue to look more intently at this phenomenon these things they are coming out of the expanse above the sky.

These might falling stars.

The Lord says to me to pay close attention to what I see here. I am looking very intently and it's the moon I see but the moon is moving in a circular fashion up in the expanse above the earth. It no longer or does not have a course moving from east and then west.

That Moon has no known celestial course to follow. It actually goes up in the sky overhead and just moves around in a circular pattern. It never really sets in a particular direction. See How I move aside the laws of Nature say the LORD.

👉 Look how there is no grass says the LORD.

October 7<sup>th</sup>

The grass, where is it? I don't see any grass when this happens.

November 6<sup>th</sup>

I move upon the Laws of Nature. I change the course of the sun and the moon. I say to the Stars withdraw your light. I say to the moon be ashamed. I say to the sun go into hiding. My son behold the rumbling sound in the distance. Hear the thunder from above. Look to the earth beneath, what do you see? On the ground where is the grass?

As the crisis escalates there will be chaos as to how to resolve it. The LORD says there will be disagreements between local municipalities and counties. There will be disagreements' between Counties and State Governments. I the LORD divide this people.

**November 22 2016**

God will now show how He deals with America! America will experience **RADICAL CHANGE!** **There will be chaos as how to handle CRISIS**
