The Earth Itself is Confused

Holiness - I am who I am Holy says the Lord

Healing - I bring healing when I call

Honor - I will have my honor says the Lord

The Lord says speak these words in their hearing.

The message of My return

Sore frost, hoar frost, summer's heat from the east

Callous hearts look to the east, eating frost but no
meat The rain is confused. Its dry, then it pours;
the wind swirls yet heat is dry

The earth is confused from sin above, the ground
shakes from heaven above

- Frost-bite, dangerous disaster*
- Double swirl tornado's*
- The sea above*
- Chosen depart*

*I have warned, I have spoken, My hand of
judgment no longer delays, says the Lord*
