*The Kremlin's face*

## The Kremlins Face

I have sent disgrace of Bitterness and envy out of this place. Chastisements of wicked and morsels of bread: hunger and thirst shall be first. I warned I pleaded; I sent my messengers now Behold the Kremlin's face.

Today tomorrow and the next you will see disgrace; I am against you O most proud says the LORD of Hosts

- Nations gathered together
- They will gaze stupefied and aghast at one another; their faces will be aflame from the unprecedented warfare.
- Take away the electrical grid
- I send Rain; the thundering rain says the LORD
- Flee O My people

Here I am before them all Judging sin in My Father's house; Open the door; My Glory departs; The praises of men bow to the son of sin: It's the favor of man; the stature of man; the golden nugget; the calf of man; Dance and rejoice; here is your God; Here I am to judge them all; The decree is settled this is the time My house below will search and find that My Judgments are Just My Decrees are final;

My anger burns I will not relent; Here comes a woe  
to destroy them all Here comes the calamities that  
go through My House; close the doors; tear down the  
walls; burn their merchandise; Who will know it is I  
says the LORD Here it comes

- Collapse is appointed;
- Visitation is inevitable
