

Prophetic Word June 20 2021

Prophetic Word

Stored in time; shouting and praising; forbidding to marry;
forbidding to eat; what is this they choose to eat; now I
send a famine to them.

Prophetic Word

Changes to time; changes to seasons; here in my Father's hands
I look for reasons.

Some pray for mercies; others pray for delay and still some
mock at the Father's delay.

Know for sure My Father sees those who belong to me.

Jump and shout; come and say here we go there's no more delay.

❑ The healing balm of Gilead was poured out and none accepted

Prophetic Word

Once Twice Three times then I strike; Who can know what died; the time is now I do not delay here it comes from the west

June 29 2020
