

Prophetic Word to a Nation

June 23 2020

 My Son before this year is out there will be
war.

There you have it. God has spoken and will his people pray?

God is saying also

1. REPENT

2. Pray for the Welfare of your Nation

👉 Repent,

👉 be Baptized in the name of JESUS for the remission of sins.

👉 Receive the Holy Spirit

👉 then PRAY for the welfare of your Nation

Believers should first seek the Baptism of the Holy Spirit then they will be able to pray fervently for others and for the Nations
