*The crash of the economic system*

## Words of Knowledge

- Currency collapse very near
- The Lord says Supreme Court Decision;  
anomaly in the verdict
- The Lord now says From under the earth;  
Now in the open

Here at the door My Grace displayed; now is the time I change this place; My Father sees the bended knee, the humble heart for them in store is the rain of Justice; each decree; my final judgments

- A point of interest
- A Point of no return
- A Point of devastation
- Recompense of the Just
- Disaster; destroys them all. Jesus is giving very clear instructions destroy them all
- A Famine; Curse this people says the Lord

Time now told will certainly unfold underneath heaven upon all who dwell. There is Testing there is Grace there is purging the face. Now raise your eyes to the left to the right and see what's coming at night. My Father purges those who resist; jump and shout there's judgment about.

- Here comes an anomaly the crash of the economic system
- There is sorrow on the sea and it cannot be quieted
- My People will mourn

Two at nine I have placed in time those I take and those that hate. One is removed the other displaced. Do you see the time on the clock? My servants called they spoke they wrote; every eye sees heavens veil; now look at the travail. For you shall bring forth and deliver; drink the cup of travail. Teach me this riddle and teach me to say Jesus on a Chariot has rent the veil.

War in the heavens
