

Prophetic Word March 15 2023

Vengeance is MINE

The LORD says

- Many sleeping during a harvest
- No fruit
- No reward
- Rebuked by My Father

Here is a saying

The time is at hand for My Father's voice. It shall be heard in the land. A Trumpet sound yet, thunder is heard; a blinding sound from Heaven's realm; a wind precedes' lightening seen. Here comes disaster that precedes' Majestic the voice; Power is seen; destruction comes for all to see.

☐ Power goes out says the LORD

A trap

A snare

No release

Held in bondage

Here it comes says the LORD; your time of reckoning

Fleecing and chancing, dreaming and chanting. Purging and gleaning have come in meeting. There is a Sea above My Hand of Love. Justice is Perfect; no imperfection; I chastise those I love.

- The Trial of Ages underway
- Stand back and be separate says the LORD
- God's Elected shall be lifted away
- Here I come with Vengeance of Heart none shall escape says the LORD
- I shake and I shake again. I shake the earth says the LORD

God is causing the Elect (the True Believers') to merge into one fold right now

*Here I am to take Vengeance on my enemies.
Have I not spoken. Have I not called; yet none
have come to the Throne pleading for the mercy
of His Nation.*

The decree is settled

Will you answer now O man. I shall not hear your voice. Depart from me you worker of iniquity. Now; shall My Father speak in judgments. Him you shall hear. Run and hide Rocks fall on us.

Let my people go says the LORD

No more crops
