

Prophetic Word - you trusted in your beauty

March 16 2021

**The LORD is allowing this Nation to fall to strike
at the heart of pride.**

For those who have spoken in pride and in boldness of heart saying we will make this Kingdom great again. The LORD says sit on the ground in silence. There is no throne for you to sit upon.

*You shall no longer be a voice lifted up among
the Nations because you trusted in your beauty
and played the harlot on your reputation.*

*All people shall know that I am the LORD who
executes judgment and justice in the earth*

You laid not these things to heart nor thought what their end would be. Therefore, your nakedness shall be exposed and your shame shall be seen. I will take vengeance and I will spare no man. None I encounter will be able to resist me.

I strike at the pride of man. The bricks have fallen; remove your veil; sit throneless; the days of Glory and honor are ended says the LORD.
