

Prophetic Word - I purge and I refine

March 19 2021

The LORD says My people say they are ready.
My people say they walk with me. These people
say they are mine. But I say before you become
mine you must be washed clean. You must have
white garments

My son I judge these people who say they are mine. I purge, I refine and I make white. They say we go up. I say it comes down upon them. They say we ate and drank in your presence and you taught in our streets. I say I don't know you.

Now hear this saying: These are the days of refining;
These are the days of vengeance These are the days of
My Redeemed says the LORD.

Whoever is wise will understand these things
and the prudent man will take them to heart.
The ways of the LORD are right and the
righteous shall walk in them but the sinners shall
fall therein.

Return to the Lord thy God and bring your petitions and come to Him and say take away my iniquity and receive me graciously. Then I will heal their unfaithfulness and turn my anger away from them says the LORD.
