

**Prophetic Word - drink water from your own  
cistern**

**March 2 2021**

it's a dialogue between a Father and son.

 Dancing with sin

- ✓ The lust of the eyes and the pride of life it entices every man as a lie.
- ✓ Over time the lie changes and covers the soul.
- ✓ The freedom to hear My Father's voice is encumbered by my dirty soul.
- ✓ Repentance from my heart cleanses my soul so that My Fathers voice can be heard.
- ✓ Chasing my sin has set me back how can I know the river of life.
- ✓ My name is written; My name is erased who can but know the Father's fate

# Word of Wisdom

Drink water from your own cistern

# Words of Knowledge

- Outside the camp
- Holding a lamp
- Knocking on the door
- Crying LORD I healed people in your Name
- A false witness
- Open shame
- Rebuked by My Father

## Next Poem from the LORD

I have a plan for them that stand; I hear their cry as they shout aloud.

My Father above has marked them with love.

They walk in shame; they play no games.

Their Faith is strong as they serve in song.

The day I hear the righteous cry

I send from heaven and let them fly.

I am seeing that March is a significant month. March, March, March I am seeing the three hours of darkness. March, March, March devastation begins. December, December, December devastation continues. Warn my people; warn my people to REPENT says the LORD

Word of knowledge

- Behold the plagues of Egypt O Lady of Nations

The LORD says he will take down these empires but it will not be like most people think. There will be a degradation of Faith. The LORD says natural reason will overtake faith in God and make for disunity and that will cause the wheat to separate from the tares.

### Word of knowledge

- Here it comes a delusion, very strong. Even the very elect can be deceived.

## Words of Wisdom

- Avoid strife
- Be quick to hear and slow to speak
- Avoid all appearances of evil
- Guard the deposit within you
- Holiness is through repentance
- Those with shouts of Joy shall remain strong in the LORD

# Words of Wisdom

- Stay in the way of life do not turn to the right or left
- Listen for My Fathers voice of correction
- Walk humbly
- Be on your guard at all times

## Words of Wisdom

- The Lord says you cannot know an authentic believer by appearance
- Beware of dogs whose glory is to shame
