

**Prophetic Word - when allies say help**

**March 23 2021**

The LORD says warn again. The LORD warns this people of calamities and destruction

Choose your stronghold be it a fortress?

Brag of power; display your might !

For I determine disaster and slay at night

When the allies say help us out

Beware of danger then and now

For my servants foretold calamity from them

See how I warned today back then

- Obadiah 7

**Some are strong in chariots, some in horses but  
we are strong in the Name of the LORD our God**

The Lord presents a riddle for you to solve

I came as a man; I knew not sin

I proclaimed His Name; and set them free

I broke the yoke and delivered to them

A Word that hears a Word that sees

Who am I?

The LORD says:

 If I be your God where is my honor?

Take with you Words and turn to the LORD say  
unto Him

Take away my iniquity and receive me graciously  
and I will render the praise of my mouth.

## Word of Wisdom
