

Prophetic Word to Nation America

March 24 2019

*There is Wind Blowing Across the
Land! Calamity is Brewing! Daniel
prophesied he saw the four winds of
Heaven stirring up the Great Sea! Alas,
there is an unleashing taking place!*

**Zechariah also witnessed these four
Winds at work!**

Now I lifted up my eyes again and looked, and behold, four chariots were coming forth! And Jeremiah prophesied that in the last days God would raise up a destroying Wind against those who rise up against Him.

God's plan is to DESTROY and REPAY BABYLON!

The Apostle John also saw them!

I saw the four Angels STANDING at the FOUR
CORNERS OF THE EARTH.

The Year of the Horses is well UNDERWAY!
There they are!

 One takes CONTROL OF NATIONS!

 Another takes away peace from the earth
so that hatred and death prevail.

And one causes economic chaos and famine throughout the land!

Whereas, the fourth is the DEATH Angel that STRIKES at MIDNIGHT!

These are the four winds or spirits of Heaven,
which go forth from before the Lord of all the
earth.

 The Lord is sending the Winnowers to where
the spirit of Babylon is located!

There is DANGER ahead: YOU will not have time to prepare: You MUST TRUST God completely. There is danger for your country and your people, they will not know how; but, the wise will understand.

 I will now provide a time for judgment says
the LORD
