Night Vision

I am seeing in this night vision that a Supper has been prepared. It was like a huge thanksgiving supper for my Family. The night vision opens in this manner. I am in this banqueting hall and looking around. I see my family arriving; every one of them. I did not see them each individually but somehow I knew all were arriving. My attention captured by the magnitude of the dinner. Everything was prepared and ready. There is no waiting for food to be prepared. There was abundance of food.

There was a separate table at the banquet hall that was prepared filled with an abundance of food and it knew instantly upon seeing it that it was already paid for. Upon realizing that it had been already paid for I immediately turned to look over to my Dad and I knew He paid in advance for everything. All the Family was there. Yes, the entire family; none were missing. The scene abruptly ends.

Word of Wisdom

Healing comes through confession. Did not Hezekiah confess? he turned his face toward the wall, and prayed to the LORD, saying, “Remember now, O LORD, I pray, how I have walked before You in truth and with a loyal heart, and have done what was good in Your sight.” And Hezekiah wept bitterly.

And it happened, before Isaiah had gone out into the middle court, that the word of the LORD came to him, saying, "Return and tell Hezekiah the leader of My people, 'Thus says the LORD, the God of David your father: "I have heard your prayer, I have seen your tears; surely I will heal you. On the third day you shall go up to the house of the LORD. And I will add to your days fifteen years."
