

**Prophetic Word - a trumpet sound from the
east**

March 26 2021

Be sure to notice of Macron. He is growing
branches and they are putting forth buds -
summer is near

The days are dry the sun is hot does anyone know what's
on top

From below and beneath there is heat

Do you not know these three come from the east

- The sound of the Trumpet
- The sound of the Angel
- The sound of Thundering

Stop and wonder at this prophecy if you will; whether you understand it or not; but you will soon witness the actual event. Take pleasure and riot and rebel if you choose; then be blinded at the actual occurrence says the LORD.

In an instant, I the LORD of Hosts, will come upon you with thunder, earthquake, whirlwind and fire.
