

**Prophetic Word - I prepare to bring my Father
his share**

March 29 2021

Here we are standing on the fringes of time
It's the harvest people I seek at this time
Some say I come in the Spring; Others say I come in the fall
My return is placed in the Father's Hands
There I await my Father's command
As the Harvest begins to ripen and the time draws near
Behold what my Father says He will draw near
As the Messengers come and go the Reapers separate the
tares
Look how I prepare to bring my Father his share

For now is the time of my judgements; they come quickly, they come swiftly, they come suddenly

There is an Angel poised to strike the waters

- Calamity, Calamity, Calamity, suddenly, overwhelming says the LORD
- Heat, intense
- Parched grain
- Break out of lesions on people
- Collapse of the Banking system

There before the Throne my Father commands
Each person must stand
Prepare to declare
For the life they lived will unfold
And everything hid will be told
For it's the sin that's judged for them that live
But now I say it's time to forgive
Hold not a grudge bitterness forgive
There at the door my Father commands for everything done shall be
laid bare
I kill not the sin confessed
My Father says it's not assessed

Words of Wisdom

As God in Christ forgave you, forgive others.

If you do not forgive others neither will your Father in heaven forgive you.

So how do you know when you truly have forgiven someone?

That's when you give up your right ever to mention it again.

And you begin to pray for that person.
