

Prophetic Word - pollute the waters

March 4 2021

Pharaoh's servants came unto him and said, How long shall this man be a snare unto us? let the people go that they may serve the LORD their God: knowest thou not that Egypt is destroyed? The LORD says this government will reconcile their fate in a similar manner.

See how I confound the wise and bring upon them what they cannot explain.

- *Confound the seasons*
- *Shaking the foundations*
- *Move the plates*
- *Change the landscape*

Next the LORD would speak as follows:

Here in the snow do I send

They are the ones who have yet to repent

Know for sure My Father sees

Those who conceal what others see

I shake the earth

I confound the wise

Who can now; say otherwise

My servants come brazen with Swords

Who will confront the Word of the LORD

Bend and repent

for this is the time they are sent

Accompanying Word of Knowledge

- Judging sin

I seize upon the waters and dry up the lakes
says the LORD

 Trouble the waters

I see a fighter jet and then I notice it has the insignia of Syria or the emblem or flag of Syria on it. Next I see another fighter jet a bit smaller and it has the flag of Israel on it. It appears the two are in ariel opposition to each other as the larger fighter jet forces the smaller one to the ground and the pilot safely ejects from the cockpit before the planes goes to the ground.
