

Prophetic Word - its winter, no its summer

March 8 2021

Listen to the LORD speak here:

Though they speak the parables of My Father as they
run from here and go to there

The days draw short, the sun moves aside

Behold My People become My bride

For today I say those with Me

Shall run with shouts and praise with glee

Unto the west and unto the east

Watch these two come with ease

Listen to this phrase:

Teaching doctrines of men; praising the arm of flesh; who can know which words to test

- **The Word**
- **Dining at the table**
- **Testing all things**

Word of knowledge

Tumors are dissipating - Not sure how to spell

Jean or Jeanne it's a female

Listen to the Statement

It's Winter, no its summer; the seasons are messed up: when did this happen?

- Polar flares
- Cosmic rain above the heavens

Behold the Market as I begin to pull it down says the LORD. The pride of this Nation do I smite

- Heavens armies are arrayed waiting My Father's command
- Displaying My Power
- Righteous judgement

I overturn rocks and reveal deep and hidden things. I move upon the laws of Nature. I change the time and seasons. I remove rulers. I perform My Father's will. Behold the plagues of Egypt. Behold the birth pangs upon you. Travail and bring forth says the LORD. Lament and wail for you shall drink the cup

- In My House
- Footstool
- Hold tight
- Perfect justice
- Separating goats
- A wine press

The LORD defines as follows

My son when I use the word devastation I mean complete destruction. When I say war I mean to take vengeance on my enemies. When I say calamities I release my judgements. When I say purging and refining I mean bringing through the fire by a way you do not know; a way by which; you would not go. When I say cry aloud spare not it means sound the Trumpet.

Who is that in the chariot

is Moses coming back ?
