Let it fall to the ground. Video 0

The great deception will captivate a very large number of people to pull them into judgment; the judgment of God. But the wise will understand.

It is very difficult to walk in the way of Truth when you have your hand in the world and possess a yearning for its comfort. It's like Lot's wife yearned and longed for something in Sodom and looked back. That kind of broken focus is dangerous to a believer in Christ.
