Word of Knowledge

Do you not know this is that December?

There are too many in the ministry of the tabernacle says the LORD.

The word of knowledge to search out with this is

☐ Korah

Moses said to Korah, Does it seem too small a thing to you that God has separated you from the community of Israel to bring you near to himself, to perform the service of the tabernacle of the LORD, He has brought you near and all your brothers, with you. Do you now seek the Priesthood also?

So Korah was dissatisfied with the position God placed him in so he and those with him sought the Priesthood by force. It's there for you to read how God responded to this.

☐ There are too many in the ministry of the Tabernacle says the LORD.

Those whom God has chosen to speak through in this hour know who they are. And they recognize Korah, Dathan and Abiram.

If you don't like how the package is wrapped then don't open it.

Next the LORD says Do you know who these are? They are sent to accomplish my Purpose.

The False Prophet Video H

Mark your calendar for the three days of
darkness for it is soon to begin.

My Father corrects, My Father chastises, He purges sin. Those who stiffen their neck he puts His Finger on the issues at hand for man to consider whether he will stand. He is gentle, yet firm; He will not relent yet purge. You have desired His Name, you have heard of His Fame; will you now continue your shame and carry His Name?

- Testing
- Trying the heart
- Purging the dross
- Chains fall off
- Behold the Stone tried and tested says the
LORD

Many will come under the rod. Yet My Father separates each one; counting each one; setting aside My Father's Portion. They sit at My Table; they dine at My House; they are the ones who have cleansed their house.
