Thy Day has come O Nation

## Words of Knowledge

- Incoming, Incoming
- They will abandon their posts
- Soldier; Country; War

The Lord says, There is going to be a new problem with the oil and it will shock the world.

There is going to be war under the Trump administration says the LORD - that came up before a year ago

The Lord says, There is going to be a new problem with the oil and it will shock the world.

There is going to be war under the Trump administration says the LORD - that came up before a year ago

Listen to the LORD speak here

I am against thee O most proud says the LORD God of Hosts. For thy day has come; for the time I will visit thee. There is trouble advancing from the west northwest; and from the North; the South. And what is happening on the East and the West O man. Do you not see my and about. Are you not surrounded O Mother of Harlots?
