I AM the Rose of Sharon

Come away with Me My Beloved. Come to My Banqueting House. Come and dine with Me. Rise up My Love My Fair one. Come away with Me. Come to My Side. Listen for My voice. Take heed to my warnings before I look through the windows of time. For I come from Eternity and enter into Everlasting. Come to the waters all you who are weary and heavy laden. Come to my Banqueting house. Come and dine with me.

Behold, I stand at the door and knock. Be not unbelieving but only believe. For in My Father's house are many Mansions. Come away with Me My Beloved! Rise up, My Fair one. Here am I, gentle and lowly in heart. I am the Rose of Sharon and the Lilly of the Valley. Come and dine at My Table, My Father has prepared for My supper is ready. Come My little ones, My Fair ones; Rise up.

The LORD says Mercy and Grace is Fading.
There is no place found for it here. Fading away
says the LORD. My Glory is Fading away. When
the Son of Man returns will he find Faith on
earth?

The LORD speaks to the Church at Babylon

Why do the Nations rage and the Kings of the earth stand in opposition to one another? Have they not all the same Father and Creator who has placed all things within Eternity.

Let the strong man run His course. Let the Rich man be proud. But let the poor man say I am Rich.

Let the Nations rage says the LORD. Let My smiters smite that My Vengeance might be satisfied; that My Holy Ones might come forth.

Let all hail the Mighty one I now release in the earth. Let Him step forward that My Name might be Vindicated.

Bring forth the Royal decree says the LORD. Let him teach My people precepts of humility. Strike the Shepherd says the LORD. Let My people be scattered.

Run into hiding O My People. Let Truth Fall to the Ground; O darkness come forth.

Close the doors of My house. Tear down the walls burn their merchandise says the LORD. Teach My people humility.

Let hatred prevail. I Vindicate My name says the LORD.
