A rhyme, chime, riddle in time

Words of Knowledge

- This year marks the close of a dispensation. That means February closes a dispensation
- In March foul weather patterns
- Nations rage
- Trump is the last King
- Grace removes from my Temple. Grace upon my dwelling place shall not be remembered.

a Riddle, a Rhyme a Chime

Decembers time; now at 9 is the time; for each
rhyme and chime of time, I send at 9. My
Father brings disaster; My Father sends
calamities in time at 9. Behold the time; My
Father has spoken of the time ahead of time.
See His hand displayed at 9?

The time has come for the Son at 9. Will you mock this time? Behold; 9 at night and, again at 9. Teach me a riddle and teach me to say a chime in time.

Words of Knowledge

- Do you not know this man will rise to power across the world and be struck down
- Behold the flood rains
- My Father closes the houses of worship one more time to wake my people up.

Hear the sound of Trumpet; behold the voice of man; look above look beneath see how my judgments do not cease. For now the season arrives; Trump will Triumph. This will be the sign

- ❑ Look who stands beside him
- ❑ I cry danger; others cry Praise
- ❑ I say behold the time; others say it's about time;
- ❑ For they say we have time; but I say no more time
- ❑ They say we have a deliverer
- ❑ I cry behold the man

Look at the time on the clock see how the numbers fade away and my chosen depart

My house closes the doors
